At Carlton Manor

The ideal location

FOR YOUR CORPORATE RETREAT

Join us for

MEETINGS & EVENTS

Carlton Manor is a tranquil, exclusive-use venue for your corporate retreat. Located in the heart of East Yorkshire, the manor is a short drive from Beverley and Hull.

This country house boasts eight stunning individual bedrooms for your indulgence. In addition within the private grounds there are 14 luxury glamping pods with private bathrooms and two cosy cottages.

Our Yorkshire venue has so many opportunities for your event. Hold an overnight board meeting and private dinner before welcoming the rest of your team for a group activity or just celebrate being back together again. Our flexible space gives you so many options that we can help you create the perfect event.

**we also have a tipi available for larger events.

The EVENT SPACE

Carlton Manor has a magnificent, multifunctional space to make your meeting completely bespoke. Keep it formal with a theatre presentation in the barn for 120 people or make use of our many relaxed spaces for group breakout sessions.

The

PRIVATE GROUNDS

Carlton Manor breathes seclusion and space, leaving a lasting impression on your guests. Take team building outdoors with clay pigeon shooting, a scavenger hunt or some mindfulness sessions, or invite the full team to camp in the grounds and cook in the Field Kitchen.

The

ACCOMMODATION

With the house and grounds completely at your disposal, guests can settle down in one of the eight luxury bedrooms. Those that prefer to be closer to nature can indulge in glamping at its finest, with wide-stretching panoramic views on their doorstep. There are also two cosy private studio cottages, ready to grant guests their home comforts.

Experience

FOOD AND DRINK

Allow the team to show off their culinary skills by self-catering in Carlton Manor's fully-equipped kitchen. Alternatively, you can opt for private catering from one of our highly recommended suppliers. From barbeque, hog roasts and afternoon teas to your own personal chef, the options are endless.
